

Hey Babe

Text: Hubert Weijers

Musik: Hubert Weijers und Chris Oettinger

Verse 1

Hey babe, hey babe, I love you're smile,
hey babe, hey babe, babe, I love you're smile
I'm all dressed up, honey, I hope you like my stile.

Verse 2

Hey babe, hey babe, I love you're dance,
hey babe, hey babe, I love you're dance,
I'm gonna take a lesson honey, I hope you give me a chance.

Bridge

I watched you on the dancefloor, the other night,
looking so cute babe, looking so tight,
hey babe, hey babe, babe, I love you so,
I want you so much honey, much more than you know.

Verse 3

Hey babe, hey babe, you're making me mad,
hey babe, hey babe, you're making me mad,
If you don't want me, that would make me so sad.

Bridge

I watched you on the dancefloor, the other night,
looking so cute babe, looking so tight,
hey babe, hey babe, babe, I love you so,
I want you so much honey, much more than you know.
